ON THE ROAD WITH EXOTIC

by Mariah

THIS STOP: LAS VEGAS

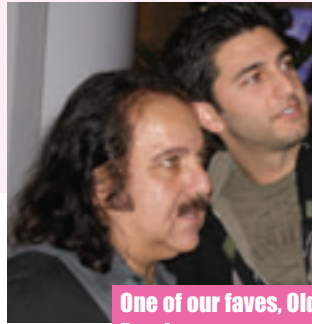

Ever wonder what a porn convention is like? Well, *Exotic* took it on the road for real this time to Las Vegas, Nevada, to answer that question for all. *AVN* magazine boasts of their convention: “It’s Sexy. It’s Powerful. It’s Business! It’s the world of adult, and it’s waiting for you!” The *AVN* Adult Entertainment Expo (AEE) is the largest event for the adult industry worldwide. It offers four full days every January to get your porn on. There you’ll find the most comprehensive collection of large, impressive exhibits covering virtually every market segment in the adult-entertainment industry. AEE boasts the hottest manufacturers, distributors, and retailers who lure in fans with hopes of autographs and perhaps a photo-op moment with their favorite adult stars.

The world of sex toys has gone above and beyond the call of duty these days. If your average pocket pussy won’t cut it for you, then perhaps a realistic, life-sized silicone sex doll is the thing for you. Each doll is carefully created using the finest available materials and craftsmanship. She moves just like a real girl (or boy) and is soft in all the right places. Manufacturers offer an extensive list of options, from body and face type, to details such as picking your plaything’s

fingernail polish. If you’ve ever dreamed of creating your ideal woman, then check out both these sites: www.realdoll.com or www.mypartydoll.com.

Have you ever found yourself at a bar, on the beach, or just walking down the street and thought, “How do you know who is a swinger?” The gay community uses the rainbow to recognize one another, but what about the swingers? Well, those days are over. Nowadays, there are a few different options to remain discreet while still throwing out that swinger vibe. One tasteful option from www.swappwatch.com is for when discretion means the most. By becoming a member, you receive a watch that is the only indicator to others who share your

One of our faves, Old Faithful, Ron Jeremy.

To show off the latest in sex toys, www.caesarmachine.com was glad to let me demonstrate that sometimes it’s not enough to take one for the team—sometimes you gotta take two!

values. It helps you be recognized silently by those who share and respect your lifestyle. Just as a certain insurance company has its gecko, most people are surprised to learn that the chameleon is the new worldwide symbol for swingers...now you know. Check out more at www.swingersproducts.com.

Perhaps with all this sin in the air, charity is what you feel you need. The convention offered a few different options in that department. One booth featured, “Buy a Boob, Save a Life.” Donations of \$5 or more earned you an autographed squeezable boob and a free XXX-rated DVD. Proceeds went to an organization called B.A.B.E. (Breast Awareness Benefits Everyone), which is a non-profit organization working to end breast cancer. Check it out at

www.babefoundation.org.

Did you know you can adopt a clitoris? Who needs a whole person when you can just adopt your favorite body parts? Clitoraid is using a new surgical procedure to restore the sense of pleasure to African women who are the victims of female genital mutilation. Who likes a mutilated pussy? Not me, that’s for sure. To find out more, go to www.clitoraid.org and find out how you can help.

Perhaps the porn convention is so intensely stimulating for some that charity alone is not enough to cleanse your soul.

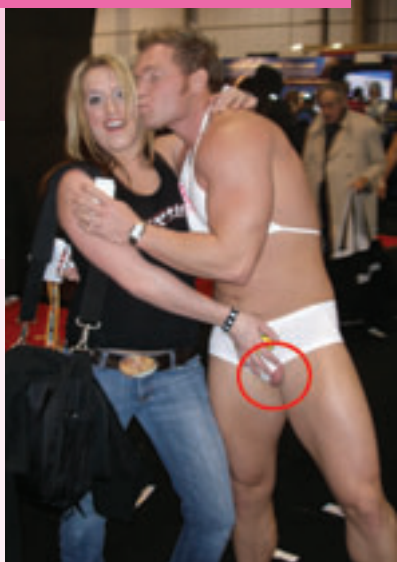

At another booth, www.fuckingmachines.com made my tongue wag with this contraption.

Marketing with a flashy sign that proclaims “Jesus Loves Porn Stars” helped one unique church draw crowds to their booth for free Bibles bearing the same catchphrase. Check out www.xxxchurch.com, where they may not be supportive of your porn-viewing ways, but they will be accepting and offer help should that be the remedy you feel you need. Or perhaps you can just purchase a really cool T-shirt or Bible of your own.

Speaking of T-shirts, my favorite vendor at the convention was www.ILOVEVAGINA.com, where they offered a whole collection of I Love Vagina items such as T-shirts and belt buckles and equally

Hanging out with Phuket clothing—maybe a little too much!

unique wear for the ladies. Speaking of which, I am now the proud owner of an I ♥ Penis wife-beater—and I truly do love penis!

Another novelty item that caught my attention was the tuxedo printed condoms for the dickstinguished gentlemen from www.dicksformalwear.com. They are the only FDA-approved printed condoms on the market and can be custom-ordered to print whatever tickles your fancy for your own promotional items. Perhaps one day you'll see the *Exotic* condom.

The convention wraps up with a separate event, the AVN Awards show. Forget about the Academy Awards—the AVN Awards are much more exciting. Who really cares about A-list celebrities when hundreds of porn stars are in one room together, battling it out for sex-industry supremacy? With categories such as Best Blow Job Scene or Best Lesbian Orgy, finding out who won Best Performance by an Actor in a regular motion picture seems much less interesting.

One of the main reasons this weekend in Vegas is such a draw has nothing to do with the convention or the awards show—it's the after-parties. On Friday night, the after-party to be at was the Players' Ball hosted by www.XFANZ.com, a porn-fan networking-and-news website with a community board much like MySpace for stars and fans to interact. That night was for all of us cyberspace porn junkies to step away from the

computer and come together in person.

On Saturday night, we went to Sapphire on Industrial Ave.

Sapphire claims to be the largest strip club in the world, and with 71,000 square feet of space and enough girls to fill it to the brim, it is hard to argue with that fact. While we were not disappointed with the lineup, we learned that if they serve liquor at the strip club in Vegas, then not even the all-powerful dollar will get those panties to drop. Not getting the full experience only made us appreciate our Portland strip clubs that much more. However, if you rent out

one of the club's ten skyboxes, you may increase your chances of improving your view.

We were invited to an after-party in the very large VIP room on Sapphire's first level. Here we were entertained with a performance by Alexandria Valentine (a burlesque-style performer) and guest performances by The Men Of Sapphire.

If you are thinking of taking a trip to Vegas and would like it to be as adult as possible, I highly recommend attending this convention next January. I know I'll be there! It was a ton of fun, and we even kept it crackin' with the Portland connection while we were there. Did you know Portland is not only host to a plethora of strip clubs,

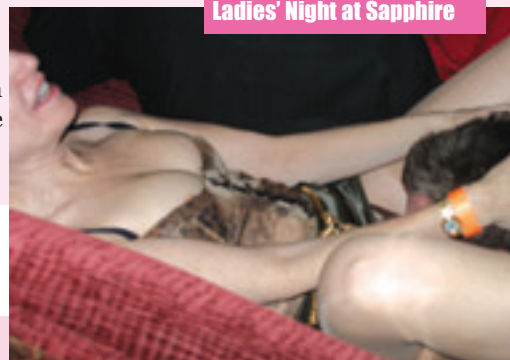

but we also hold our own in the porn-production department? We were able to connect with familiar faces from home, including the likes of Homegrown Video,

HotMovies.com, and Brookland Brothers Entertainment. I even heard a rumor that Taboo Video was also represented there. Maybe next time we won't have to go so far to hang out. Perhaps next year I will see all of you there, too!

In honor of our Sex and Romance issue, we thought:

A "What has more sex and romance than a gang bang?" So we sent our new, on-the-scene reporter Diego to a gang bang at Ace of Hearts—yes, the swingers' club near SE 39th and Powell.

Having never been inside the discreet building myself, and having all these pre-conceived ideas of what a sex club would be like on the inside, I had many unanswered questions, as I'm sure many of you do. We here at Exotic like to keep you informed of the adult events around town, and since we know there is an activity out there for everyone, maybe this is the one for you. While Ace of Hearts is usually limited to Friday and Saturday nights, they also often hold special events, i.e., Sundays are sometimes gang-bang night. Here is what Diego had to report:

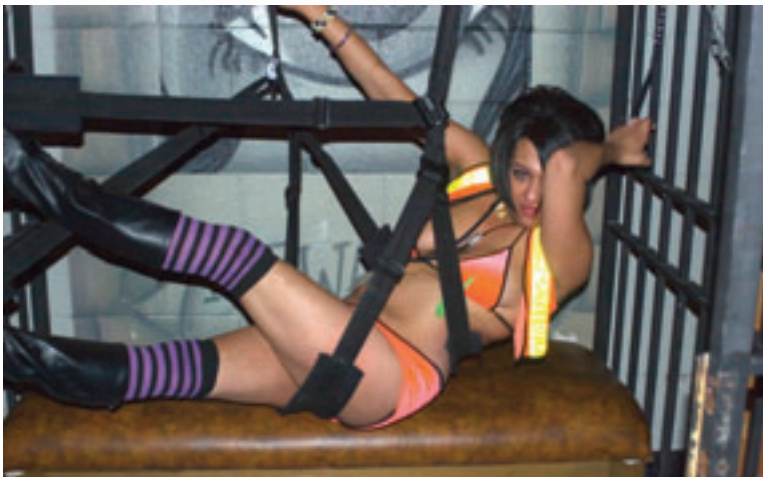

My evening started around 7:30pm. I was running just a tad late. The club's parking lot was completely full, so I parked on one of the neighborhood's side streets. As you enter the club, the first room is where you have to pay—single gentlemen were charged \$65, couples \$30, and single ladies got in free. If you're a first-time guest, you are required to fill out their form with all of the house rules stated. When it's your first time at the club, you are kindly escorted around the place by either a security guard or one of the beautiful ladies on the staff.

Paul, the club's owner, was kind enough to show me around personally while introducing me to almost every security guard there along with any ladies he knew who wouldn't mind their

ACE OF HEARTS GANG-BANG PARTY

BY DIEGO THE LATIN LOVER

photograph being taken. We first went through a hallway that led into a room where there were two nice-sized hot tubs and showers. Next we went into another room on the bottom floor and entered the "buffet room," where an assortment of fountain drinks, coffee, sandwiches, and snacks were available. Here you can sit and relax at one of the many bench seats, all while enjoying a nice show in the cage where they have a swing for the lucky lady.

We then headed down another hallway leading to the dance floor. Along this narrow hallway are several rooms with windows where you can have your fantasies filled. Each window had a curtain and each door a lock. The guest(s) could choose to draw the curtain and lock the door for privacy or leave them open for the voyeur experience. Before you reach the dance floor, a massage table with masseuse is available for the ladies. Dance poles were on each side of the dance floor.

Sometimes you'll find a dancer on the pole such as the fabulous Mystique Mynx.

At this point we headed upstairs, where it opens up to pool tables and booth-style seating. Here you can relax and play some pool, pinball, or watch the current porn video on the tube. Unfortunately, there is no sex on the pool tables or pinball machine. But there's a jukebox playing whatever music you choose.

We then went into the large projection room where, again, you can watch the current porn video. Around the corner is where there are two huge beds open to the "fluffing" area where you get yourself prepared for action. Up a couple more steps and you find yourself where Talia, the gang-bang lady of the evening, was pleasuring whomever came into her domain. She started her personal goal of 100 satisfied customers a little after 6pm and finished her feat by 12:27am.

Upon leaving this area we headed down to another hallway past more showers, bathrooms, and to an outside smoking section. There are also two more hot tubs outside if you're up to it. From what I was told, the water was really soothing and warm.

By now Paul had left me to roam freely around the club, accompanied by a security guard whenever I needed to snap a few staged shots.

For the most part, everyone was really friendly and respectful of the rules that Paul has enforced.

At some point in the evening, Safeway decided to start towing cars that were parked in their parking lot. Paul informed me that for years there hasn't been a problem with parking there, but for some reason, the night manager had a problem with it and started having cars towed. To the people who got towed, my sympathies go out to you; I know how much of a pain in the ass this can be.

For more information about the Ace of Hearts club, please call: 503-727-3580 or check more out online at www.aceofhearts.com.

In 1989, porn took a turn and has remained on that track ever since. That was the year John Stagliano released *The Adventures of Buttman*, the first gonzo film. I'm not sure if it was Stagliano or somebody else that dubbed *Buttman* gonzo. In any case, it was more than a decade behind the gonzo journalism pioneered by Hunter S. Thompson. I suppose the porn makers liked the word, since it meant the sort of wild, unpredictable, drug-driven mayhem that colored the pages of Thompson's writings. For porn it meant dumping a story line and getting down to raw sex. This was an excellent move, since the narrative lameness only led to fast-forwarding on VCRs. And gonzo was much less costly. Stagliano took the camera off the tripod and walked around with it while interacting with the girl. Down, dirty, and low-budget.

Recently Stagliano has moved in the opposite direction, making extravaganzas with high production costs. His latest, from Evil Angel, *Fashionistas Safado: The Challenge*, a two-set DVD that runs over four hours, has been nominated for the Best Video Feature and Best Director AVN awards. It might capture those awards along with others it is up for, but it did not capture my attention. Well, some of it did, but not the entire four hours. Bigger is not always better, and with porn, less is generally more.

The stars of this runway spectacle are Rocco Siffredi and Belladonna. They play fashion designers Antonio and Jesse, who have a taste for fetish clothing. Antonio is uptight about a rival fashion designer in Berlin who is cutting into his turf. So we have a story line with conflict! This gets resolved with much fucking, sucking, and anal action, although the first hour has very little sex. I think we're back to fast-forwarding again.

For those of you into dildo DVDs, check out *Sex Machine Shoot-Out 777* from Master Len productions. This girl-on-girl project involves a series of machines with control panels and piston drives that are coordinated for thrust, speed, and altitude. The girls in this sci-fi wonder seem to enjoy the heat-seeking dildos. The AVN reviewer, Chip Dorchester, said *Shoot-Out* is ideal for mechanical engineers. I agree.

Hustler's *Call Girls Under Cover: Collector's Edition* came out a few years ago, but it is still available and is the best bet in Flynt's call-girl series. The streetwalkers include Ava Divine, Ashley Moore, and Ann Harlow, all of whom easily convince the viewers that porn performers can act like prostitutes.

But if you really want to understand how trollops operate, what they think of their clients, how they got into The Life, I highly recommend, as I have before on this page, picking up a copy of *Vanilla Slim: An Improbable Pimp in the Empire of Lust*, written by your *Another Lonely Night* correspondent under my real name, Bob Armstrong. You can roll over to Amazon and order this book right now or buy it at your nearest bookstore.

I'll be giving a reading from *Vanilla* at Dante's on Wednesday, February 21, at 7 PM. Do drop by and pack the joint. I'll also have copies of my book there which you can buy. And of course, you'll walk out with an autographed copy. But if you'd like me to hook you up with one of the girls in my stable, I can't do it. The pretty ponies long ago ran away after I got busted. Once was enough for me. I got out of the escorting business and confined my activities to writing about it.
